BUDGET & FINANCIAL PLANNING · MULTI-ENTITY FP&A · SCENARIO MODELING · CAPITAL STRATEGY

Brooklyn, NY | 347-607-8164 | lazarreclavel3@gmail.com

EXECUTIVE PROFILE

Strategic finance executive specializing in budgeting, financial planning, and scenario modeling for complex, multi-entity organizations. Leads FP&A, budgeting, treasury, liquidity, and cash-flow forecasting for client organizations across nonprofit, education, private, and public-sector settings, and supports capital allocation through scenario modeling and funding strategy. Served as financial architect for a $200M national banking-development initiative and reversed a $1M operating deficit into a 13% surplus. Pairs analytical depth (SQL, Looker, KPI dashboards) with clear communication to senior leadership and Boards.
