PROFESSIONAL EXPERIENCE

MAROON STRATEGIST LLC | Chief Financial Officer (Advisory) 2025–Present

New York, NY

- Structured the financial framework for a NYPA Clean Energy Workforce Program, aligning public funding, compliance, and performance metrics.
- Established outcomes tracking and performance reporting against funder benchmarks for enrollments, completions, placements, and retention.
- Worked with NYSID on public-sector projects employing individuals with disabilities.
- Build KPI dashboards, forecasts, and outcome measures that leaders use to make decisions.
- Direct audit readiness and external audit processes; ensure GAAP and Uniform Guidance compliance; design internal controls and fund-accounting frameworks.
- Lead financial planning, budgeting, treasury, liquidity management, and cash-flow forecasting for client organizations across nonprofit, private, education, and public-sector settings.

THE OSBORNE ASSOCIATION | Vice President, Business Development & Social Ventures Jan 2023–May 2025

New York, NY

- Held full P&L accountability for an $8M portfolio within a $50M+ nonprofit; led financial and operational oversight of a 140-person, multi-program division.
- Partnered with the CEO and Board on long-range planning, risk management, and organizational growth strategy.
- Reversed a $1M annual operating deficit and delivered a 13% operating surplus through cost restructuring, financial controls, and revenue optimization.
- Negotiated and structured $10M+ in new government, institutional, and corporate contracts.
- Developed revenue-generating social ventures that combined financial sustainability with mission outcomes.

ADDITIONAL EXECUTIVE EXPERIENCE

ALLUEL LOGISTICS | Vice President of Operations Nov 2021–Aug 2022

New York, NY

- Directed financial controls, billing, and compliance for NYCHA and NYC Department of Homeless Services contracts.
- Renegotiated vendor and logistics agreements, reducing costs 35% and improving margins.
- Implemented a redesigned ERP-based warehouse management system, improving processing efficiency 60% and data visibility.

MONARK CONSULTING GROUP | Fractional CFO and Chief Operating Consultant Aug 2016–Nov 2021

New York, NY

- Served as financial architect for a $200M national banking-development initiative, supporting capital planning and financial structuring.
- Developed operational and performance-improvement strategies for $50M+ organizations and major brands.
- Built accounting, governance, and operational infrastructure for an international NGO serving children in Haiti.

FITNESS COLLECTIVE INC | Co-Founder and Chief Operating Officer Nov 2004–Feb 2016

New York, NY and Washington, DC

- Founded and scaled a multi-location business from a $5K investment to a $1M enterprise; delivered 33% YoY revenue growth and an 11% margin improvement.
- Built HR, payroll, benefits, and training infrastructure for a 50+ person team.
