PROFESSIONAL SUMMARY

Operations and finance leader with 20+ years of experience helping consulting practices, healthcare providers, and mission-driven organizations translate strategy into reliable daily execution. Brings a hands-on approach to connecting pricing, staffing capacity, client systems, and delivery requirements across fee-for-service work and grant-funded programs. Serves as a thought partner to leadership, making financial and operational information accessible, resolving cross-functional problems, and building practical systems that improve service quality and support sustainable growth.

SELECTED PROFESSIONAL EXPERIENCE

MAROON STRATEGIST, LLC | Brooklyn, NY **Mar 2024 – Present**

Fractional CFO & Operations Consultant

Fractional CFO and program leadership for nonprofit, public-sector, education, healthcare, and service organizations, coordinating financial planning and operating improvements across client engagements.

- Manage hourly billing as part of daily consulting operations for multiple clients, including Atilem and Joseph Will Academy (JWA), alongside ongoing fractional CFO and project-based advisory work.
- Track client engagements in CRM systems, including Salesforce, and maintain Excel KPI tracking for grant-funded programs with daily, monthly, and quarterly compliance reviews and SkyNet engagement tracking.
- Support healthcare practice operations through accounting cleanup, tax-remediation coordination, staffing support, payroll and benefits processes, vendor oversight, and recurring financial reporting.
- Direct budgeting, forecasting, and cash management for client engagements, including multimillion-dollar project budgets with direct and indirect cost allocation and restricted cash-flow monitoring.
- Lead reconciliations and reporting remediation, coordinating clients, bookkeepers, accountants, and other stakeholders to resolve discrepancies and improve financial information.
- Build financial models, management dashboards, and standard operating procedures to support resource allocation and improve delivery.
- Created and led the 18-month NYPA clean-energy workforce program from inception through completion, standing up design, staffing, budgeting, partnerships, and training; piloted the model before full rollout, and 92% of enrolled participants earned a certificate.
- Led proposal development and quality review for grant-funded and fee-for-service work; developed formal partnership agreements with agencies, academic partners, and employers.

OSBORNE ASSOCIATION | New York, NY **Jan 2023 – Oct 2025**

Vice President, Business Development & Social Ventures

Led financial and operational oversight of a 140-person division, integrating staffing, finance, grant stewardship, partnerships, and program delivery across social ventures.

- Managed 12 direct reports across finance, grant stewardship, operations, and frontline supervision; directed hiring, onboarding, training, and performance management.
- Ran weekly team meetings, individual check-ins, and recurring financial and operational reviews, using performance reports and staff feedback to identify problems, coordinate priorities, and guide decisions.
- Built pricing, monetization plans, and budgets for earned-revenue service lines, including landscaping and warehouse cleaning, as part of daily operations.
- Evaluated the feasibility of a proposed service expansion through a Rikers Island contract study, modeling delivery costs, staffing requirements, operational risks, and infrastructure needs.
- Held full P&L accountability for an $80M portfolio and ran staffing capacity for all 140 employees, managing hours, overtime, bonuses, and raises against budget.
- Managed multiple program budgets with monthly reconciliation and quarterly performance tracking, monitoring restricted and unrestricted cash flow.
- Led continuous improvement by modernizing payment processes, redesigning workflows, and introducing compliance meetings and staff self-assessments; helped move the division from a deficit exceeding $1M to a 13% operating surplus within one year.

- Led a nine-month transitional-employment program serving 300+ formerly incarcerated people annually, coordinating employer partnerships and tracking outcomes against funder benchmarks; partnered with the CEO and Board on growth.

ALLUEL LOGISTICS | New York, NY **Nov 2021 – Aug 2022**

Vice President of Operations

Led daily operations across staffing, client systems, vendor management, billing, and public-sector contract delivery.

- Led warehouse-management system selection and implementation, reducing data-processing time 60%; introduced CRM systems and trained staff to support adoption and consistent use.
- Directed quotation and invoicing processes across business and consumer engagements, including approximately $500K in monthly NYC DHS billing.
- Managed a $2M operating budget and negotiated vendor agreements that reduced supply-chain and logistics costs 35%.
- Coordinated delivery and compliance for NYCHA logistics contracts serving 100 developments, aligning operating activity with client requirements.
- Recruited and managed field, sales, and administrative staff; partnered with IT to improve HR workflows and data accuracy.

LAZARRE CONSULTING GROUP | New York, NY **Dec 2016 – Present**

Founder & Principal Consultant

Project-based financial and business advisory practice, run alongside fractional CFO engagements, supporting private clients with financial analysis, operating improvements, and reporting.

- Develop operational and performance-improvement strategies for organizations and brands including American Express OPEN, Ogilvy, and Chubb.
- Led financial remediation for a behavioral health practice, reconciling accounting records, identifying approximately $251K in unclaimed deductions, and preparing corrected financial statements.

FITNESS COLLECTIVE INC. | Brooklyn, NY **2004 – 2016**

Co-Founder

Built a service business from initial investment through expansion, establishing the staffing, pricing, client systems, and administrative infrastructure needed to operate across multiple locations.

- Grew from a $5,000 investment to $1M in annual revenue within 24 months, then established a franchise model and launched three additional locations, expanding to $10M in annual sales.
- Created pricing for all services, connecting cost, staffing, and demand across personal training, group fitness, and other offerings.
- Scaled the workforce from four to 60 full-time employees across accounting, IT, facilities, personal training, and group fitness; ran all staff hours and scheduling, created roles, and participated directly in recruitment, supervision, and training.
- Selected and implemented Mindbody CRM for client tracking, booking, and targeted engagement across 4,000+ clients, using client data to shape services.
- Established a training academy supporting certification of 25 trainers; led website development, local partnerships, outreach, and vendor negotiations.

TECHNOLOGY & PROGRAM DEVELOPMENT

- **SkyNet:** Built and piloted an AI-supported workflow connecting research, evaluation, document preparation, and reporting, with evidence validation, cost controls, and performance tracking; now in full daily use.
- **JWA AI Career Launch:** Designed and submitted a Citi Foundation proposal for Joseph Will Academy connecting AI learning, workforce preparation, and employment support, with proposed measures for skills, employment, wages, and retention.
- **Tools:** Monday.com, QuickBooks, Mindbody CRM, Salesforce, Zoho CRM, Airtable, Excel, Google Workspace, and generative AI tools (ChatGPT/Codex, Claude, Gemini).
