CLAVEL M. LAZARRE, MBA

STRATEGIC FINANCE · FP&A & BOARD REPORTING · MULTI-SITE OPERATIONS · SCALABLE SYSTEMS

Brooklyn, NY | 347-607-8164 | lazarreclavel3@gmail.com

EXECUTIVE PROFILE

Finance and operations executive who scales multi-site, people-intensive service businesses. Co-founded and ran a multi-location fitness and wellness company from a $5K investment to a $1M enterprise, building pricing, HR, payroll, and benefits infrastructure for a 50+ person team and delivering 33% YoY revenue growth with an 11% margin improvement. Now leads FP&A, budgeting, cash management, accounting controls, and audit readiness for client organizations, and reports to Boards. Implements Salesforce, ERP, and CRM systems, manages outsourced providers and vendors, and uses data and AI-enabled tools to make finance faster. Reversed a $1M operating deficit into a 13% surplus at a $50M+ nonprofit serving low-income communities.

SELECTED FINANCIAL IMPACT

$1M → 13%	$1.5M+	$10M+	$200M
Deficit reversed to surplus	Tax savings recovered	New contracts structured	Banking initiative structured

PROFESSIONAL EXPERIENCE

MAROON STRATEGIST LLC | Chief Financial Officer (Advisory) 2025–Present

New York, NY

- Lead financial planning, budgeting, treasury, liquidity management, and cash-flow forecasting for client organizations across nonprofit, private, education, and public-sector settings.
- Direct audit readiness and external audit processes; ensure GAAP and Uniform Guidance compliance; design internal controls and fund-accounting frameworks.
- Execute financial turnarounds, forensic accounting, historical clean-up, and audit remediation for organizations with reporting deficiencies.
- Identified and recovered $1.5M+ in tax savings through detailed financial analysis and correction of reporting deficiencies.
- Spearhead liquidity and working-capital strategy, including covenant monitoring, short-term financing analysis, and stress testing; support capital allocation through scenario modeling.
- Structured the financial framework for a NYPA Clean Energy Workforce Program, aligning public funding, compliance, and performance metrics.

THE OSBORNE ASSOCIATION | Vice President, Business Development & Social Ventures Jan 2023–May 2025

New York, NY

- Reversed a $1M annual operating deficit and delivered a 13% operating surplus through cost restructuring, financial controls, and revenue optimization.
- Partnered with the CEO and Board on long-range planning, risk management, and organizational growth strategy.
- Held full P&L accountability for an $8M portfolio within a $50M+ nonprofit; led financial and operational oversight of a 140-person, multi-program division.
- Negotiated and structured $10M+ in new government, institutional, and corporate contracts.
- Developed revenue-generating social ventures that combined financial sustainability with mission outcomes.

ADDITIONAL EXECUTIVE EXPERIENCE

ALLUEL LOGISTICS | Vice President of Operations Nov 2021–Aug 2022

New York, NY

- Selected, implemented, and trained teams on CRM and business systems, including Salesforce, Zoho, Looker, SQL, and ERP platforms.
- Implemented a redesigned ERP-based warehouse management system, improving processing efficiency 60% and data visibility.
- Renegotiated vendor and logistics agreements, reducing costs 35% and improving margins.
- Directed financial controls, billing, and compliance for NYCHA and NYC Department of Homeless Services contracts.

MONARK CONSULTING GROUP | Fractional CFO and Chief Operating Consultant Aug 2016–Nov 2021

New York, NY

- Served as financial architect for a $200M national banking-development initiative, supporting capital planning and financial structuring.
- Developed operational and performance-improvement strategies for $50M+ organizations and major brands.
- Built accounting, governance, and operational infrastructure for an international NGO serving children in Haiti.

FITNESS COLLECTIVE INC | Co-Founder and Chief Operating Officer Nov 2004–Feb 2016

New York, NY and Washington, DC

- Founded and scaled a multi-location business from a $5K investment to a $1M enterprise; delivered 33% YoY revenue growth and an 11% margin improvement.
- Built HR, payroll, benefits, and training infrastructure for a 50+ person team.
