CLAVEL M. LAZARRE, MBA

CHIEF OPERATING LEADERSHIP · HR, PAYROLL & BENEFITS · FINANCE & BOARD REPORTING · FACILITIES & COMPLIANCE

Brooklyn, NY | 347-607-8164 | lazarreclavel3@gmail.com

EXECUTIVE PROFILE

Chief operating executive for mission-driven, direct-service organizations, combining people operations, finance, compliance, and facilities leadership. Led a 140-person, multi-program social-services division, overseeing hiring, payroll, performance management, and compensation, and reversed a $1M operating deficit into a 13% surplus through budget discipline and controls. Built HR, payroll, benefits, and training infrastructure for a 50+ person, multi-location organization; manages outsourced accounting, IT, and vendor relationships; and serves as a finance liaison to CEOs, Boards, and Finance Committees. Leads KPI tracking, risk management, and change management, with a career-long commitment to economic and social justice in New York City.

SELECTED FINANCIAL IMPACT

$1M → 13%	$1.5M+	$10M+	$200M
Deficit reversed to surplus	Tax savings recovered	New contracts structured	Banking initiative structured

PROFESSIONAL EXPERIENCE

MAROON STRATEGIST LLC | Chief Financial Officer (Advisory) 2025–Present

New York, NY

- Lead financial planning, budgeting, treasury, liquidity management, and cash-flow forecasting for client organizations across nonprofit, private, education, and public-sector settings.
- Direct audit readiness and external audit processes; ensure GAAP and Uniform Guidance compliance; design internal controls and fund-accounting frameworks.
- Build KPI dashboards, forecasts, and outcome measures that leaders use to make decisions.
- Execute financial turnarounds, forensic accounting, historical clean-up, and audit remediation for organizations with reporting deficiencies.
- Identified and recovered $1.5M+ in tax savings through detailed financial analysis and correction of reporting deficiencies.
- Spearhead liquidity and working-capital strategy, including covenant monitoring, short-term financing analysis, and stress testing; support capital allocation through scenario modeling.

THE OSBORNE ASSOCIATION | Vice President, Business Development & Social Ventures Jan 2023–May 2025

New York, NY

- Held full P&L accountability for an $8M portfolio within a $50M+ nonprofit; led financial and operational oversight of a 140-person, multi-program division.
- Reversed a $1M annual operating deficit and delivered a 13% operating surplus through cost restructuring, financial controls, and revenue optimization.
- Partnered with the CEO and Board on long-range planning, risk management, and organizational growth strategy.
- Coached and developed managers and staff, building training and talent-development practices across the division.
- Negotiated and structured $10M+ in new government, institutional, and corporate contracts.
- Developed revenue-generating social ventures that combined financial sustainability with mission outcomes.

ADDITIONAL EXECUTIVE EXPERIENCE

ALLUEL LOGISTICS | Vice President of Operations Nov 2021–Aug 2022

New York, NY

- Renegotiated vendor and logistics agreements, reducing costs 35% and improving margins.
- Streamlined operations and eliminated redundancies across personnel, facilities, systems, and sales.
- Directed financial controls, billing, and compliance for NYCHA and NYC Department of Homeless Services contracts.
- Implemented a redesigned ERP-based warehouse management system, improving processing efficiency 60% and data visibility.

MONARK CONSULTING GROUP | Fractional CFO and Chief Operating Consultant Aug 2016–Nov 2021

New York, NY

- Served as financial architect for a $200M national banking-development initiative, supporting capital planning and financial structuring.
- Developed operational and performance-improvement strategies for $50M+ organizations and major brands.
- Built accounting, governance, and operational infrastructure for an international NGO serving children in Haiti.

FITNESS COLLECTIVE INC | Co-Founder and Chief Operating Officer Nov 2004–Feb 2016

New York, NY and Washington, DC

- Built HR, payroll, benefits, and training infrastructure for a 50+ person team.
- Founded and scaled a multi-location business from a $5K investment to a $1M enterprise; delivered 33% YoY revenue growth and an 11% margin improvement.
