EXECUTIVE PROFILE

Operations and finance executive with more than 20 years of experience building businesses, leading mission-driven programs, and creating the systems organizations need to grow. Held full P&L accountability for an $80M portfolio and financial and operational oversight of a 140-person division. Co-founded a fitness business that reached $1M in annual revenue within 24 months, then expanded through a franchise model to $10M in annual sales, with HR, payroll, and benefits infrastructure supporting 50+ employees.

Brings a founder's understanding of growth and an operator's discipline in execution. Partners with CEOs, boards, public agencies, and community organizations to evaluate opportunities, align resources, and translate strategy into budgets, partnerships, programs, and operating processes. Experience spans workforce development, social enterprise, financial advisory, logistics, and practical AI implementation.
