CLAVEL M. LAZARRE, MBA

MULTI-ENTITY FINANCE · CAPITAL STRATEGY · FP&A · SYSTEMS MODERNIZATION

Brooklyn, NY | 347-607-8164 | lazarreclavel3@gmail.com

EXECUTIVE PROFILE

Strategic finance executive with experience in multi-entity structures, capital strategy, and systems modernization. Leads FP&A, budgeting, forecasting, treasury, and cash management across multi-entity client organizations; directs audit readiness and internal controls; and has served as financial architect for a $200M national banking-development initiative covering capital planning and financial structuring. Built payroll, HR, and benefits infrastructure and implemented ERP systems that improved processing efficiency 60%. Advises CEOs and Boards on long-range planning and builds financial literacy across leadership teams.

SELECTED FINANCIAL IMPACT

$1M → 13%	$1.5M+	$10M+	$200M
Deficit reversed to surplus	Tax savings recovered	New contracts structured	Banking initiative structured

PROFESSIONAL EXPERIENCE

MAROON STRATEGIST LLC | Chief Financial Officer (Advisory) 2025–Present

New York, NY

- Provide hands-on leadership in multi-entity finance, public funding, capital strategy, and audit remediation.
- Lead financial planning, budgeting, treasury, liquidity management, and cash-flow forecasting for client organizations across nonprofit, private, education, and public-sector settings.
- Spearhead liquidity and working-capital strategy, including covenant monitoring, short-term financing analysis, and stress testing; support capital allocation through scenario modeling.
- Direct audit readiness and external audit processes; ensure GAAP and Uniform Guidance compliance; design internal controls and fund-accounting frameworks.
- Execute financial turnarounds, forensic accounting, historical clean-up, and audit remediation for organizations with reporting deficiencies.
- Identified and recovered $1.5M+ in tax savings through detailed financial analysis and correction of reporting deficiencies.

THE OSBORNE ASSOCIATION | Vice President, Business Development & Social Ventures Jan 2023–May 2025

New York, NY

- Partnered with the CEO and Board on long-range planning, risk management, and organizational growth strategy.
- Held full P&L accountability for an $8M portfolio within a $50M+ nonprofit; led financial and operational oversight of a 140-person, multi-program division.
- Reversed a $1M annual operating deficit and delivered a 13% operating surplus through cost restructuring, financial controls, and revenue optimization.
- Negotiated and structured $10M+ in new government, institutional, and corporate contracts.
- Developed revenue-generating social ventures that combined financial sustainability with mission outcomes.

ADDITIONAL EXECUTIVE EXPERIENCE

ALLUEL LOGISTICS | Vice President of Operations Nov 2021–Aug 2022

New York, NY

- Implemented a redesigned ERP-based warehouse management system, improving processing efficiency 60% and data visibility.
- Directed financial controls, billing, and compliance for NYCHA and NYC Department of Homeless Services contracts.
- Renegotiated vendor and logistics agreements, reducing costs 35% and improving margins.

MONARK CONSULTING GROUP | Fractional CFO and Chief Operating Consultant Aug 2016–Nov 2021

New York, NY

- Served as financial architect for a $200M national banking-development initiative, supporting capital planning and financial structuring.
- Developed operational and performance-improvement strategies for $50M+ organizations and major brands.
- Built accounting, governance, and operational infrastructure for an international NGO serving children in Haiti.

FITNESS COLLECTIVE INC | Co-Founder and Chief Operating Officer Nov 2004–Feb 2016

New York, NY and Washington, DC

- Built HR, payroll, benefits, and training infrastructure for a 50+ person team.
- Founded and scaled a multi-location business from a $5K investment to a $1M enterprise; delivered 33% YoY revenue growth and an 11% margin improvement.
