CLAVEL M. LAZARRE, MBA

CHIEF OPERATING OFFICER · WORKFORCE DEVELOPMENT · FACILITIES SERVICES · GOVERNMENT CONTRACTS & COMPLIANCE · GROWTH

Brooklyn, NY | 347-607-8164 | lazarreclavel3@gmail.com

EXECUTIVE PROFILE

Operations executive who scales workforce-development and service organizations while holding them to contractual, regulatory, and financial goals. Led a 140-person, multi-program division with full P&L accountability for an $80M portfolio, running employment programs and earned-revenue service lines, including facility services, landscaping, warehouse cleaning, and power washing, that employed people returning from incarceration. Reversed a $1M operating deficit into a 13% surplus, negotiated $10M+ in government and institutional contracts, and directed controls, billing, and compliance for NYCHA and NYC Department of Homeless Services contracts. Built a clean-energy workforce program from inception with 92% certificate completion and partnered with NYSID on projects employing people with disabilities. Develops high-performing leadership teams through KPIs, coaching, and a steady management cadence.

SELECTED FINANCIAL IMPACT

$1M → 13%	$1.5M+	$10M+	$200M
Deficit reversed to surplus	Tax savings recovered	New contracts structured	Banking initiative structured

PROFESSIONAL EXPERIENCE

MAROON STRATEGIST LLC | Fractional CFO & Operations Consultant Mar 2024–Present

New York, NY

- Created and led an 18-month NYPA clean-energy workforce program from inception; piloted the model before rollout; 92% of enrolled participants completed training and earned a certificate.
- Worked with NYSID on public-sector projects employing individuals with disabilities.
- Lead financial planning, budgeting, treasury, liquidity management, and cash-flow forecasting for client organizations across nonprofit, private, education, and public-sector settings.
- Direct audit readiness and external audit processes; ensure GAAP and Uniform Guidance compliance; design internal controls and fund-accounting frameworks.
- Execute financial turnarounds, forensic accounting, historical clean-up, and audit remediation for organizations with reporting deficiencies.
- Identified and recovered $1.5M+ in tax savings through detailed financial analysis and correction of reporting deficiencies.

THE OSBORNE ASSOCIATION | Vice President, Business Development & Social Ventures Jan 2023–Oct 2025

New York, NY

- Held full P&L accountability for an $80M portfolio; led financial and operational oversight of a 140-person, multi-program division.
- Reversed a $1M annual operating deficit and delivered a 13% operating surplus through cost restructuring, financial controls, and revenue optimization.
- Developed revenue-generating social ventures that combined financial sustainability with mission outcomes.
- Built pricing, monetization plans, and budgets for earned-revenue service lines, including landscaping and warehouse cleaning.

- Owned an employment and workforce-development model integrating job readiness, placement, and wraparound supports for justice-impacted participants.
- Ran staffing capacity for all 140 employees, managing staff hours, overtime, bonuses, and raises against budget.

ADDITIONAL EXECUTIVE EXPERIENCE

ALLUEL LOGISTICS | Vice President of Operations Nov 2021–Aug 2022

New York, NY

- Directed financial controls, billing, and compliance for NYCHA and NYC Department of Homeless Services contracts.
- Renegotiated vendor and logistics agreements, reducing costs 35% and improving margins.
- Implemented a redesigned ERP-based warehouse management system, improving processing efficiency 60% and data visibility.

LAZARRE CONSULTING GROUP | Founder & Principal Consultant Dec 2016–Present

New York, NY

- Served as financial architect for a $200M national banking-development initiative, supporting capital planning and financial structuring.
- Developed operational and performance-improvement strategies for $50M+ organizations and major brands.
- Built accounting, governance, and operational infrastructure for an international NGO serving children in Haiti.

FITNESS COLLECTIVE INC | CEO & Co-Founder 2004–2016

Brooklyn, NY

- Managed landlord relationships, leases, facilities, insurance, utilities, and vendor contracts across multiple locations.
- Wrote safety plans and procedures for the company and its five locations, including franchise sites.
- Built HR, payroll, benefits, and training infrastructure for a team that grew from 4 to 60 full-time employees.
- Founded and scaled a multi-location business from a $5K investment to a $1M enterprise; delivered 33% YoY revenue growth and an 11% margin improvement.
